TechCorp Official Employee Handbook

Version 2026 - for internal use

1. Welcome to TechCorp

Welcome to TechCorp! This handbook explains how we work, what you can expect from us, and what we expect from you. It applies to all full-time employees.

If something in this handbook is unclear, please contact the People Operations team at people@techcorp.example. This handbook is updated every year in January.

2. Working Hours and Remote Work

Our core working hours are 10:00 AM to 4:00 PM local time, Monday to Friday. Outside of core hours you may arrange your schedule with your manager.

You are permitted to work from home on Tuesdays and Thursdays. Additional remote flexibility may also be approved by your department manager.

Employees working from home must be reachable on Slack and attend all scheduled meetings with their camera on, unless the meeting organizer says otherwise.

3. Leave and Time Off

Every full-time employee receives 20 days of paid time off (PTO) per calendar year. PTO accrues monthly and up to 5 unused days can be carried over into the next year.

Sick leave is separate from PTO. Employees receive 10 days of paid sick leave per year. A doctor's note is required for sick leave longer than 3 consecutive days.

Parental leave: primary caregivers receive 16 weeks of fully paid leave and secondary caregivers receive 6 weeks of fully paid leave.

To request PTO, submit a request in the HR portal at least 2 weeks in advance for absences longer than 3 days.

4. Dress Code

TechCorp has a business casual dress code. Jeans and sneakers are allowed on any day of the week. Clothing with offensive slogans is not permitted.

On client visit days, employees are expected to wear business attire such as a collared shirt or blouse and smart trousers.

5. Expenses and Equipment

TechCorp provides every new employee with a laptop, a monitor, and a headset. Remote employees also receive a one-time home office allowance of $500.

Business travel must be booked through the company travel portal. Meals during travel are reimbursed up to $60 per day. All expense reports must be submitted within 30 days of the expense.

The annual learning and development budget is $1,200 per employee. It can be used for courses, books, certifications, and conferences.

6. Information Security

All employees must use the company password manager and enable two-factor authentication on every work account.

Never share customer data over personal email or personal messaging apps. Report lost devices or suspected phishing emails to security@techcorp.example within one hour.

Company laptops must be locked whenever you leave your desk, and software may only be installed from the approved company software catalog.

7. Performance Reviews and Promotions

Performance reviews take place twice a year, in June and December. Each review includes a self-assessment, peer feedback, and a manager assessment.

Promotions are considered during the December review cycle. Employees must have been in their current role for at least 12 months to be eligible.

8. Code of Conduct

TechCorp is committed to a respectful, inclusive workplace. Harassment or discrimination of any kind is not tolerated and may result in termination.

Employees may report concerns confidentially through the ethics hotline or directly to People Operations. Retaliation against anyone who reports a concern in good faith is strictly prohibited.
